* **Assist outside agency:** The Coroner may be called to assist another county or State in making notification to the the legal next of kin.

****Backward Cases:** Coroner cases that were not reported to the coroner at the time of death. By the time the notification of death is reported to the coroner, the final disposition has already been determined and the body has either been cremated or buried, A paper investigation is then completed by the coroner in order to rule a cause and manner of death for completion of the death certificate.

Toxicology: Specimens are drawn on all cases for toxicology purposes.

External Examinations: Performed on all cases
